

SAMPLE ITINERARY

Indian Gardens 3 Day tour:

Day 1 - We will pick you up from your hotel and drive to the Grand Canyon. When we arrive at the canyon, we will hike the 4.5 miles down to Indian Garden and set up camp. In the evening, we usually go on a side hike to Plateau Point to soak in some of the best views in the canyon.

Day 2 - We hike 10 miles roundtrip to the bottom of the canyon. Here we can explore many areas, get wet in the creek, swim by a couple waterfalls and have a lemonade at the canteen at Phantom Ranch. We will hike back to camp in the afternoon when temperatures are cool.

Day 3 - We pack up and hike 4.5 miles out the same trail we hiked in.
