

SAMPLE ITINERARY

Grand Canyon Rim to Rim 4 Day, North to South tour:

Day 1 - We pick you up from your hotel and drive to the North Rim of the Grand Canyon. Once we arrive at the trailhead, we begin our 7-mile hike with a 4,000-foot elevation change to the Cottonwood Campground.

Day 2 - We pack up and hike along Bright Angel Creek another 7 miles and 1,500 feet down to Bright Angel Camp. On the way, we drop our packs and do a side hike to Ribbon Falls, one of the most scenic areas along the North Kaibab Trail.

Day 3 - We pack up and hike along Bright Angel Trail to Indian Garden. This is a 5-mile hike, ascending 1,200 feet. After we set up camp, we can take a side hike to Plateau Point for some beautiful views of the inner canyon and the Colorado River.

Day 4 - We hike out of the canyon along Bright Angel Trail. This is a 4.5-mile hike with a 3,000 foot increase in elevation.
